RELEVANT WORK EXPERIENCE	<i>Sports Data Scientist (for MLB and NHL)</i>	July 2015 - present
	Mdalury LLC	
	<ul style="list-style-type: none">- We use statistics, data programming, SQL database architecture, and domain specific knowledge to develop a set of proprietary data, models, and tools primarily focused on Daily Fantasy Sports.- My role is broadly focused around researching metrics to add to our models by combining domain knowledge and testing methods to create and analyze potential features for our predictive models, implementing these features into existing models, visualizing various metrics or results or the models, and writing scripts to update and maintain our databases.- From the time I was hired (July 2015), we held a robust record of success, including being consistently ranked as a Top 5 player in my focus areas (MLB and NHL) as well as being the overall #1 ranked player for 2016 and 2017, all according to RotoGrinders.com.	
	<i>Co-creator - xGoals shot quality project</i>	November 2014 - December 2016
	FourthLineHeroes	
	<ul style="list-style-type: none">- Developed shot quality metrics for NHL hockey to approximate the caliber of possession.- Developed metrics to measure goalie performance based on the quality of shots faced.- Abstract accepted to 2016 Sloan Sports Conference; full manuscript available upon request.- A full display of metrics and further explanation is available at http://fourthlineheroes.com/	
	<i>Basketball Analytics Intern</i>	May 2014 - August 2014
	Golden State Warriors, Oakland, CA	
	<ul style="list-style-type: none">- Structured, developed, and populated draft dataset for the 2014 NBADL draft.	
	<i>Front Office and Game Day Assistant</i>	Winter 2014, 2015
	Santa Cruz Warriors, Santa Cruz, CA	
	<ul style="list-style-type: none">- Assisted with the stats team and occasionally served as official scorer at scorers table.- Assisted with daily work in the front office during the 2015 NBA D-League Showcase.	

**OTHER

- Center Referee and Assistant Referee* 2005 - 2010
Scotts Valley/San Lorenzo, Santa Cruz, and Excel Soccer Clubs, Santa Cruz, CA
- Certified U.S. Soccer Grade 8 Referee.

**OUTSIDE
INTERESTS**

- Rock Climbing – I have been rock climbing since 2008 and enjoy climbing in a variety of areas both domestically and internationally.
- Simulation Baseball – Since 2008 I have played in Diamond Mind Baseball (DMB) simulation baseball leagues and enjoy using these leagues for honing my technical skills and practicing decision theory.
- Recreational Team Sports – Team sports have always been a big part of my life. I primarily played competitive baseball and soccer in my earlier years, but shifted to more recreational intra-mural sports in college, and have continued to play these sports recreationally after graduating.
- Cats – I love most animals, but I feel most strongly about cats. My cats are always fun to be around and do a great job cheering me up if I am in a bad mood.
